Capabilities:

The Vilseck Veterinary Clinic provides the following services: outpatient clinics, physical exams and health certificates, immunizations, X-ray diagnostics, ECG diagnostics, elective outpatient surgery and dentistry performed under isoflurane anesthesia, routine blood, serum, urine and fecal laboratory testing, AVID microchipping and behavioral consultations.

Limitations:

Due to our level of staffing and mission requirements, the Vilseck Veterinary Clinic is unable to provide 24 hour emergency service with in-patient critical care hospitalization.

Referrals:

Civilian referral clinics are available and are coordinated through the veterinary clinic.

Emergency Care:

Emergencies are seen during normal operating hours when a veterinarian is available. After-hours emergencies should seek care from an off-post veterinarian. A referral list is provided at the clinic and a copy is included below.
